

**69 COLEBROOKE ROW**  
STAGES PROGRAM 2010

SECTION I

Introduction & Opportunity

Tony Conigliaro is widely acknowledged as one of the UK's pioneering drinks creators, and is continually working to break the boundaries surrounding drinking experiences. In 2009 he his partner opened The Bar With No Name at 69 Colebrooke Row, which has been recognised as a phenomenal success within the industry.

The Stage Program at 69 Colebrooke Row will provide an opportunity for Bartenders and students of Cocktail & Food Science to work first hand in the only bar related Drinks Lab in the world.

Successful applicants will have the opportunity to work with Tony Conigliaro in a lab dedicated to furthering the craft of the cocktail and fully realizing projects as they filter into the bar.

Subjects will be assisting in creative projects and become incorporated in the daily procedures of the bar operating at 69 Colebrooke Row.

The program is set to commence in February of 2010 with applicants vetted during January 2011.
